

THE MAKING OF...

Our handmade paper is crafted with love in Nepal from sustainable materials, serving as the foundation for an array of beautiful products. It is produced by the artisans of Get Paper, a Fair Trade cooperative that supports various social initiatives such as girls' education, AIDS awareness, and anti-trafficking programs.

1.

PAPER PULP

A MOULD & DECKLE IS LIFTED THROUGH THE SLURRY, A THIN LAYER OF PULP IS LEFT ON THE SCREEN. THE PULP CONSISTS OF FARM AND COTTON WASTE AND RECYCLED LOKTA PAPER. SO NO TREES ARE CUT DOWN.

2.

DRYING

THE PAPER SHEETS ARE ATTACHED TO A FLAT SURFACE AND DRIED USING THE POWER OF THE SUN. THEY ARE COLOURED WITH AZO-FREE DYES. ALL WASTEWATER IS TREATED TO MINIMIZE ENVIRONMENTAL IMPACT.

3.

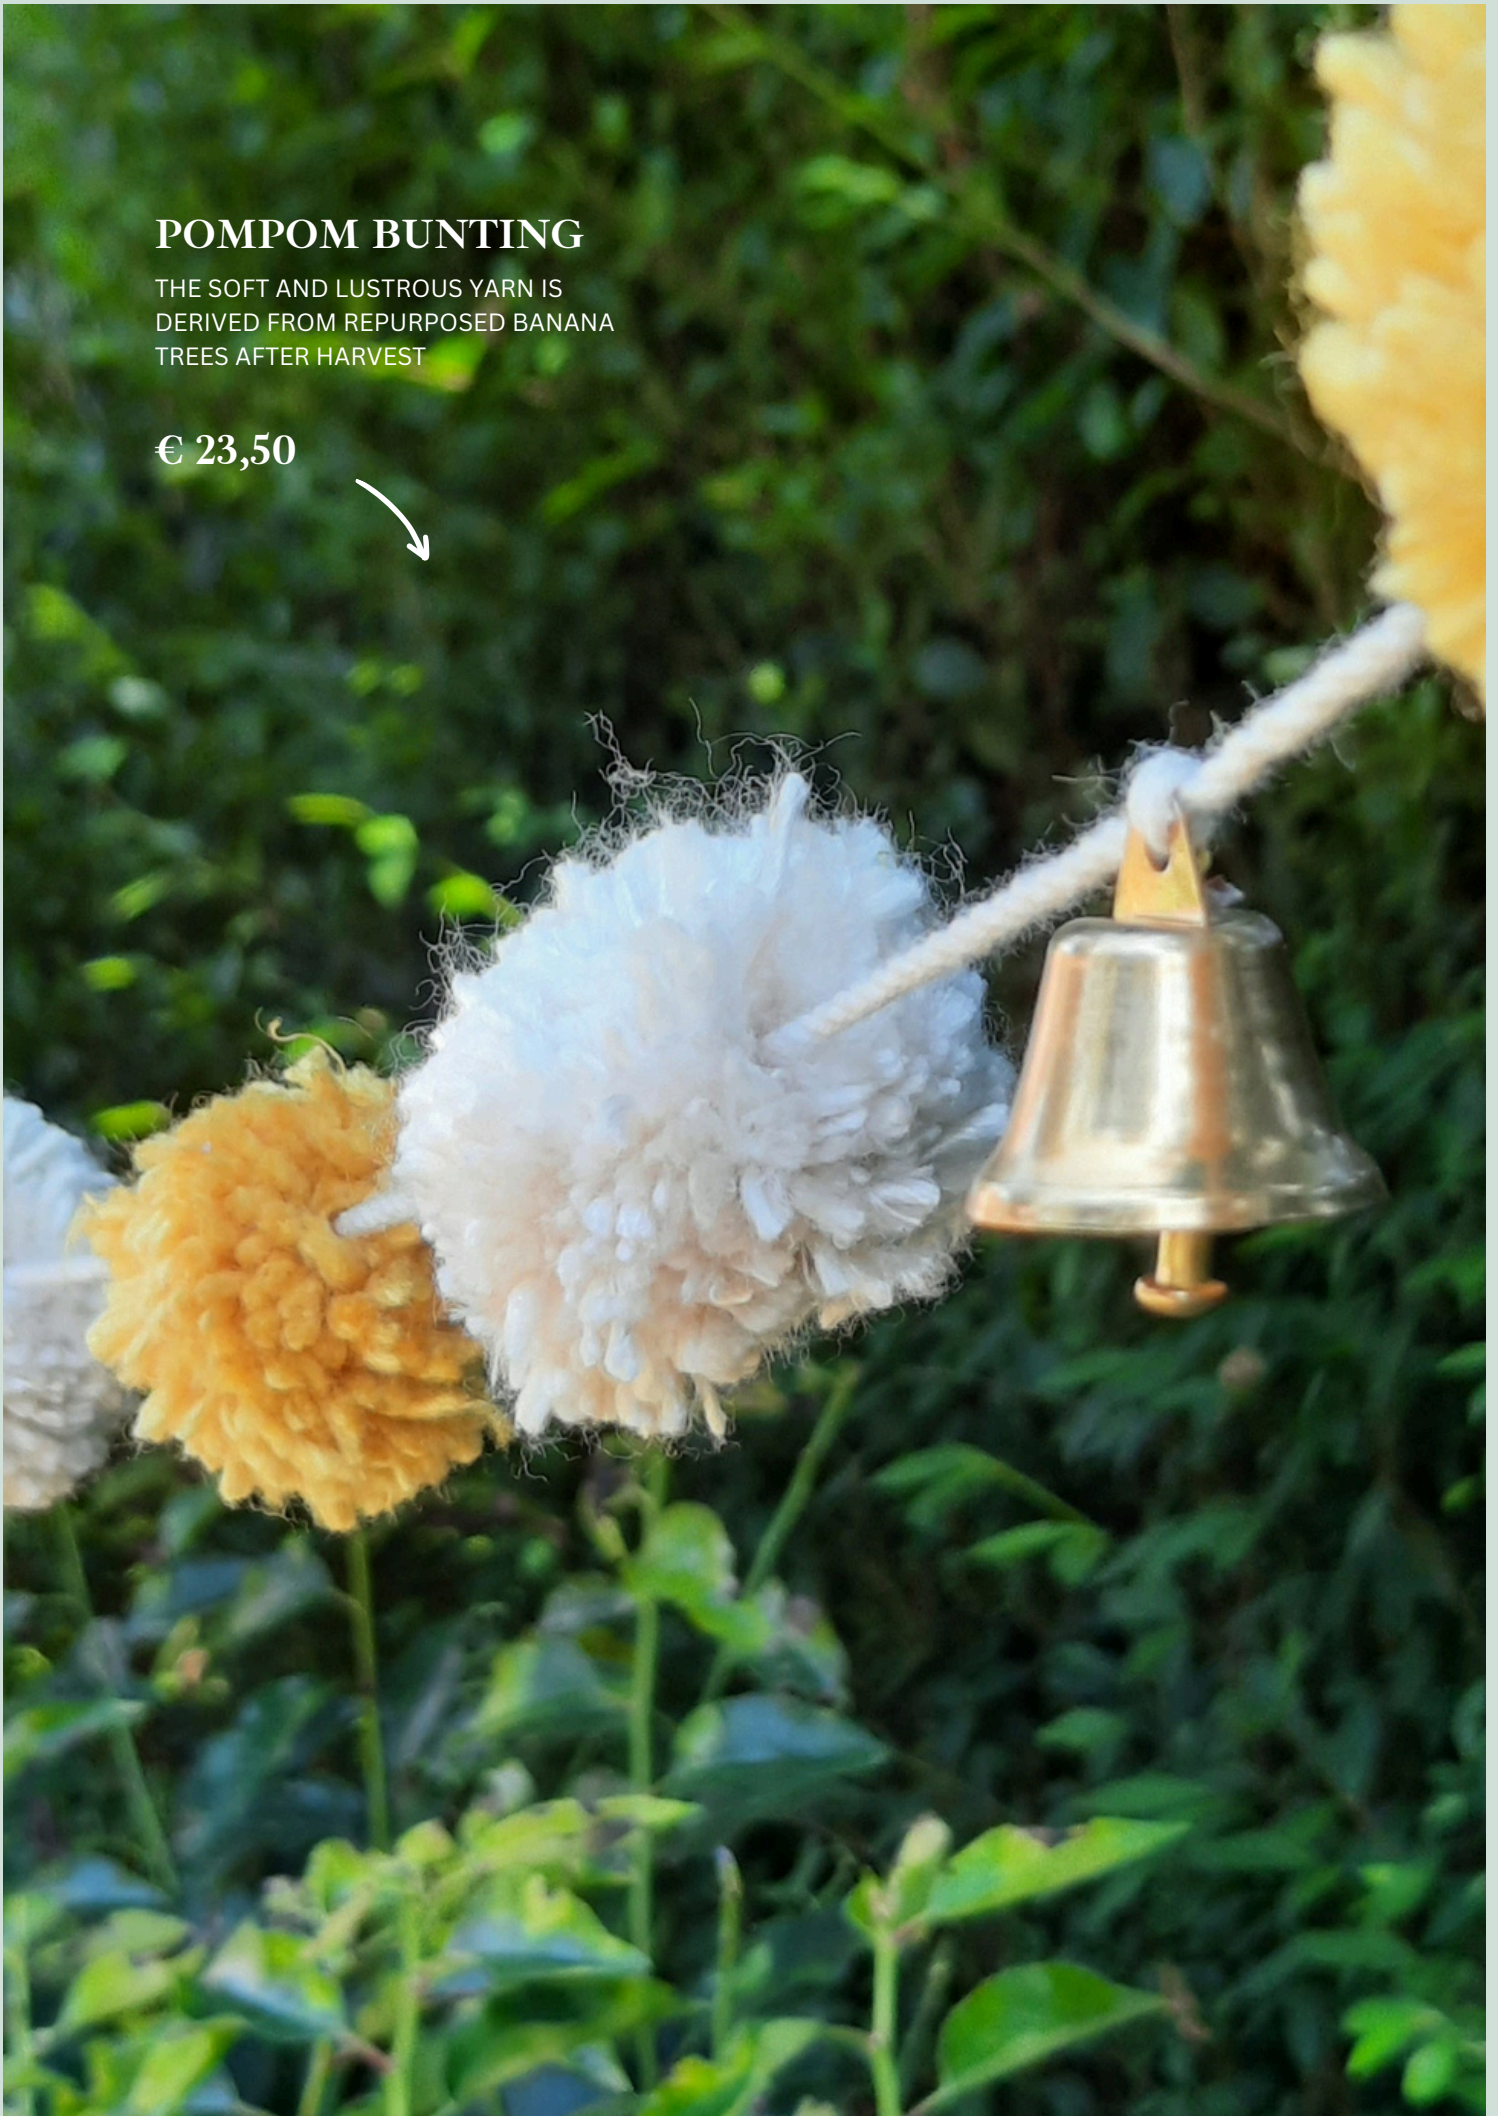

FINISHING

THE SKILLED ARTISANS APPLY DECORATIONS USING THE SCREEN PRINTING TECHNIQUE AND CAREFULLY ASSEMBLE AND PACK THE VARIOUS PRODUCTS BY HAND.

THE MAKING OF...

Our Mandala Buntings are made in workshops affiliated with Sana Hastakala, an organisation that supports small-scale handicraft producers in Nepal. Sana Hastakala means ‘small handicrafts’ in Nepali. They guide women to becoming skilled producers and assist them with financial and technical support, training, and marketing.

1.

STITCHING

SKILLED LADIES CUT THE COTTON, OVERLOCK THE EDGES AND STITCH THE FLAGS AROUND THE CORDS. THE SEWING WORKSHOP PROVIDES EMPLOYMENT OPPORTUNITIES FOR DEAF WOMEN WHO OFTEN FACE CHALLENGES IN FINDING WORK ELSEWHERE.

2.

BLOCK PRINT

THE DECORATION IS APPLIED USING WOODEN BLOCKS; AN AGE-OLD CRAFT. THIS CRAFT WAS DOMINATED BY MEN, BUT NOWADAYS ALSO WOMEN MASTER IT.

3.

THE RESULT

A BUNTING TOO PRETTY TO BE USED ONLY FOR SPECIAL OCCASIONS. IT'S A PERFECT ACCESSORY TO DECORATE YOUR MEDITATION SPACE OR SIMPLY HANG IN YOUR HOME OR GARDEN.

THE MAKING OF...

Our yoga pillows are handmade with love by skilled craftswomen in Nepal. They are made from handwoven fabric. The buckwheat shell stuffing provides optimal support to your spine and are moisturising and grounding due to their unique shape. Carry the pillow with the sturdy handle.

1.

HAND WOVEN

IN A WEAVING WORKSHOP RAW COTTON IS SPUN BY HAND IN THICK THREADS. THESE THREADS ARE USED TO WEAVE FABRICS IN ELABORATE PATTERNS.

2.

STITCHING

THE CRAFTSWOMEN OF A SMALL SEWING WORKSHOP USE THE HANDWOVEN FABRICS TO MAKE OUR YOGA PILLOWS. THE PILLOWS ARE FILLED WITH BUCKWHEAT SHELLS BY A DUTCH REINTEGRATION ORGANISATION.

3.

BLOCK PRINT

A SYMBOL IS APPLIED TO SOME PILLOWS USING A WOODEN BLOCK STAMP. SUCH AS THE LABYRINTH, SYMBOLISING THE SPIRITUAL JOURNEY TO OUR OWN CENTER AND BACK AGAIN.
